SALISBURY, N.C.--([BUSINESS WIRE](#))--Food Lion believes no one should go hungry, especially during the holiday season, and the grocer is making it easy and affordable for its customers in its more than 1,000 stores to help families in need through its Food Lion Feeds "Holidays Without Hunger" campaign, Nov. 14 through Dec. 18.

Through the campaign, customers can purchase and donate a specially-marked "Holidays Without Hunger" food box for \$5, while supplies last, or make a cash donation at checkout.

Food Lion Feeds is partnering with Feeding America[®], the nation's largest domestic hunger-relief and food rescue organization, for this campaign. One hundred percent of cash donations benefit the Feeding America member food banks. All food boxes are donated directly to the local food bank or partner agency in the store's community. Additionally, customers have the option to purchase and take the box home for their personal use.

Through Food Lion Feeds, Food Lion is working to create a better tomorrow by uniting with customers and partners to help eliminate the difficult choices many families are forced to make when they are struggling with hunger. Working toward its commitment to provide 500 million meals by the end of 2020, Food Lion Feeds offers several in-store campaigns like "Holidays Without Hunger," partners with local feeding agencies to donate food everyday through its food rescue program as well as distributes local food and financial donations to local feeding agencies across its 10-state footprint.
