How Instacart Works

Customers can visit www.foodlion.com/homedelivery or open the Instacart [mobile app](#) on their iPhone or Android device, enter their zip code and select their local Food Lion store, add items to a virtual cart, and then choose a delivery window (within one hour, within two hours, or some scheduled time in the future) and check out. A Shopper accepts the order on his/her smartphone, uses the Instacart shopper app to guide them through shopping, and then delivers the order to the customer in the designated delivery timeframe.
