### *How Instacart Works*

Customers can visit [www.foodlion.com/homedelivery](http://www.foodlion.com/homedelivery) or open the Instacart mobile app on their iPhone or Android device, enter their zip code and select their local Food Lion store, add items to a virtual cart, and then choose a delivery window (within one hour, within two hours, or some scheduled time in the future) and check out. An Instacart Shopper accepts the order on his/her smartphone, uses the Instacart shopper app to guide them through shopping, and then delivers the order to the customer in the designated delivery timeframe.
