SALISBURY, N.C.--([BUSINESS WIRE](#))--In honor of Veterans Day, Saturday, Nov. 11, Food Lion stores will offer a 10 percent discount to active and retired military personnel to show their support and appreciation for those who are serving or have served in the United States Armed Forces.

"At Food Lion, we consider our military and veteran customers our neighbors, friends and in many cases, our family," said Meg Ham, president of Food Lion. "It's an honor to be able to show our gratitude for the many sacrifices these men and women have made for our country by providing this discount to military and their families."

To receive the discount, active military, veterans and their families should present their MVP card, along with military identification, if available, at the time of checkout. Customers will then receive 10 percent off their entire grocery bill. This offer is valid on Saturday, Nov. 11, only. The discount does not apply to the purchase of alcohol, tobacco, gift cards, lottery, postage stamps or services.

Also in support of Veterans Day, Food Lion will make a \$650,000 donation to Hope For The Warriors, a national nonprofit dedicated to restoring a sense of self, family and hope for post 9/11 veterans, service members and military families. Additionally, in advance of the national holiday, on Nov. 9, local Food Lion associates will partner with the organization to participate in a service project in order to pack and donate 200 backpacks of food to Jacksonville, N.C.-based military families to help feed those in need this holiday season.

A longstanding supporter of its military associates and customers, Food Lion provides a number of support services to military associates, as well as adopts families of colleagues who have been called into active duty and helps to feed veterans in need through its Food Lion Feeds hunger-relief platform.

In 2010, due to the grocer's immense military support, Food Lion was honored with the Department of Defense's highest honor for employers, the Employer Support of the Guard and Reserves (ESGR) Freedom Award, for its programs and services for military associates.
