SALISBURY, N.C.--([BUSINESS WIRE](#))--In celebration of Feeding America's® Hunger Action Month™, Food Lion will join this powerful movement by remodeling and stocking the shelves at more than 30 local food pantries across its 10-state footprint during its second annual "The Great Pantry Makeover." Hunger Action Month is a nationwide campaign that mobilizes communities to take action to help end hunger.

"Giving back to our communities through volunteer service is part of who we are as a company and something we are just as passionate about as serving customers in our stores," said Meg Ham, Food Lion president.

"Hunger Action Month provides a great opportunity for us to celebrate a month of service through 'The Great Pantry Makeover' by enabling our associates to nourish our communities through local food pantry capacity expansion, refurbishment and nutritious food donations."

"The Great Pantry Makeover" kicks off today, with service projects planned throughout the month. During the month-long event, Food Lion associates will donate more than 1,200 service hours and the equivalent of 1 million meals by installing shelves, painting and cleaning pantries, installing equipment to expand capacity for fresh fruits, vegetables and other products as well as stocking shelves with food. The list of pantries includes:
