

Food Lion Introduces New Mobile Pharmacy App

January 20, 2020

Customers Can Now Manage Health and Wellness with their Fingertips

SALISBURY, N.C. – Food Lion pharmacy customers now have a new, easier way to manage their prescriptions and wellness through a new mobile pharmacy app. With just the touch of a finger, customers can locate a Food Lion pharmacy, request prescription refills, access their prescription history, transfer medications and access a health library for information on general wellness topics. The app is available for free in the App Store for both iOS and Android devices.

“Providing convenient health solutions to our neighbors is important to our pharmacists and all of us at Food Lion,” said John Bednarz, Manager of Pharmacy Operations at Food Lion. “This new app will provide customers with convenient, great care, plus additional resources to help manage their health and wellness. We encourage all our pharmacy customers to download the new app today to access these great features and services.”

There are 32 Food Lion pharmacy locations across five states. A full list of pharmacy locations can be found [here](#).
