SALISBURY, N.C. – Starting today, neighbors in Morganton, N.C., have a new Food Lion location to help nourish their families. Food Lion's newest location to serve its neighbors opened today at 1555 E. Union St., Morganton, N.C. 28665. The new store will be open daily from 7 a.m. until 11 p.m.

"Morganton is my hometown. I grew up here, went to school here and have spent the past 14 years serving this community, most recently as the manager of the Food Lion store previously located across the street," said Tim Powell, store manager of the new location. "I'm so excited to open this brand-new store right here in my neighborhood. I look forward to welcoming our neighbors into the new location and for them to see the exciting updates we've made with them in mind in their new Morganton Food Lion."

Customers can choose from an expanded product assortment, including in-store fresh-cut fruit and vegetables, more "grab-and-go" meal options to help make dinner easier, expanded catering selections, and the [Food Lion To-Go](#) service, which enables customers to order their favorite items for convenient pickup and delivery.

The store also offers a variety of Food Lion's Nature's Promise-brand beef, pork, poultry, milk, eggs, bottled water, cereal, coffee and other items. Nature's Promise is Food Lion's brand of wholesome and organic products made with no artificial flavors, preservatives or synthetic colors.

Earlier this week, Powell and other local Food Lion associates delivered more than 200 gift bags to express their appreciation to police officers and staff at the Morganton Public Safety building, firefighters at Morganton Fire Station #1 and emergency room physicians and medical staff at Carolinas HealthCare System Blue Ridge Morganton.

In another commitment to the Morganton community, through Food Lion Feeds, the retailer's hunger relief platform, \$5,000 will be donated to The Outreach Center to help fight senior hunger. The Outreach Center serves a variety of seniors each with different needs and challenges from veterans to the disabled or ones currently undergoing cancer treatments.
