Customers Using EBT SNAP Now Able to Shop However is Most Convenient

SALISBURY, N.C., May 04, 2021 (GLOBE NEWSWIRE) -- North Carolina Supplemental Nutrition Assistance Program (SNAP) participants are now able to redeem their electronic benefit transfer (EBT) benefits while shopping online at Food Lion through Food Lion To Go. SNAP participants simply link their SNAP/EBT food card information as a form of payment then select the eligible fresh food and grocery items needed to nourish their family just as they would if shopping in store.

With the click of a button, Food Lion To Go allows customers to experience the same low prices and fresh food items from the comfort of home. The convenient service allows customers to place an order and pick up their groceries on the same day.

"We're excited to offer our North Carolina neighbors using SNAP/EBT this new option to shop however they prefer, in-store or online," said Evan Harding, director of digital and e-commerce at Food Lion. "Food Lion To Go allows customers the ability to shop from wherever is most convenient, while still ensuring they have access to fresh, nutritious food to nourish their families. It's one of the many ways Food Lion makes grocery shopping easy, fresh and affordable for our neighbors."

By linking their personal MVP savings loyalty card to their account, Food Lion customers can use digital coupons and redeem their "Shop & Earn" MVP rewards program savings. Customers can also see their accumulated Shop & Earn rewards on their checkout screen and view which clipped digital coupons will be applied to their order. This is in addition to their MVP discounts, in-store promotions and weekly savings specials.
