November 18, 2021

Omnichannel retailer recognized nationally for continued commitment to diversity and inclusion across all communities

SALISBURY, N.C., Nov. 18, 2021 (GLOBE NEWSWIRE) -- Food Lion, an omnichannel retailer serving towns and cities across 10 states, today announced it has been honored as a Best-of-the-Best company in America committed to diversity and inclusion across all communities by the National LGBT Chamber of Commerce (NGLCC) and the National Business Inclusion Consortium (NBIC).

To be considered for the recognition, companies must provide a report of diversity and inclusion policies and achievements and complete a detailed survey of statistics. Food Lion has received this recognition for five consecutive years.

"To be named a Best-of-the-Best corporation by leaders in the LGBTQ industry reaffirms that the work we've been doing is making a difference for our associates and the communities we serve," said Food Lion President Meg Ham. "Diversity, equity and inclusion are woven into the fabric of our business. We take great care to create an environment where everyone can feel they belong."

"The Best-of-the-Best designation honors corporations for their commitment to America's diverse employees and business owners, which includes LGBT people, people of color, women and people with disabilities," said NGLCC Co-Founder and President Justin Nelson. "This designation is highly competitive and is bestowed only to corporations that we see constantly striving to strengthen and celebrate diversity. These corporations being honored are true leaders in ongoing global commitments to create a better future for all diverse communities in business – especially as we work to help all our communities recover equitably from the pandemic."

Only companies achieving industry-leading results across all diverse segments are eligible to receive the prestigious designation from the NBIC, whose members include the National LGBT Chamber of Commerce; Disability:IN; the National Minority Supplier Development Council; the National Veteran-Owned Business Association; the U.S. Black Chambers, Inc; the U.S. Hispanic Chamber of Commerce; the U.S. Pan Asian American Chamber of Commerce; WEConnect International; Women Impacting Public Policy and the Women's Business Enterprise National Council.
