Two grant cycles in 2022 support more than 500 agencies combating food insecurity

SALISBURY, N.C., Nov. 29, 2022 (GLOBE NEWSWIRE) -- The Food Lion Feeds Charitable Foundation has awarded more than \$1.1 million in grants for 2022. In its fall cycle, the Foundation will distribute more than \$400,000 in grants to more than 200 nonprofit organizations across Food Lion's 10-state footprint. During the [spring grant cycle](#), the Foundation awarded more than \$775,000 to nearly 300 organizations. The grants support local agencies' efforts to combat food insecurity and provide nutritional education to their communities. Organizations awarded grants can be found [online](#).

"With the demand for food relief increasing as more Americans face hunger, we are working harder than ever to ensure our community partners provide meals to those in need," said Adam Bass, Vice President of Pricing, Food Lion, and President, Food Lion Feeds Charitable Foundation. "Through the Food Lion Feeds Charitable Foundation, we are privileged to partner with these local nonprofit organizations that make a difference in the towns and cities we serve and make a real difference in people's lives."

The Food Lion Feeds Charitable Foundation is a 501(c)(3) organization operated by a volunteer board of directors comprised of Food Lion associates from different areas of the company. The Foundation focuses on fighting child hunger, helping partner organizations increase their "fresh" capacity so families can put nutritious meals on their tables and providing nutrition education to support the health and wellness of Food Lion's neighbors.

Since its inception in 2001, the Foundation has donated nearly \$17 million across Food Lion's 10-state operating area. It has contributed significantly toward Food Lion Feeds, which has provided more than 970 million meals to individuals and families since 2014 through a combination of product, financial and equipment donations; disaster relief and recovery efforts; volunteer hours by associates; in-store retail campaigns; and the company's pioneering food rescue program.

The Food Lion Feeds Charitable Foundation holds two grant cycles each year. The grant application deadline for spring is March 15, 2023, and is found [online](#). Nonprofit organizations are eligible for grants if affiliated with Feeding America or the United Way. Organizations are eligible to apply for grants every 12 months.
