SALISBURY, N.C., Dec. 09, 2022 (GLOBE NEWSWIRE) -- Ahead of the holidays, Food Lion is making it easier for more neighbors in Georgia and South Carolina to have fresh and affordable groceries delivered right to their door. Customers in the additional delivery zip codes listed below can use [Food Lion's To Go website](#) or the Food Lion To Go app to confirm availability and place orders. With the click of a button, Food Lion grocery delivery, powered by Instacart, allows customers to experience the same low prices and fresh food items without having to ever enter a store. The online service allows customers to place an order and have their groceries delivered right to their front door.

"With some of the busiest weeks ahead for our customers, we are excited to expand this convenient service to more stores in the Food Lion footprint so our customers can spend more time on what matters most to them," said Evan Harding, Director of Digital and eCommerce, Food Lion. "We're providing our neighbors the option to shop however they prefer, in-store or online, while still ensuring they have access to the freshest groceries at affordable prices."

Additionally, by linking their personal MVP card to their account, Food Lion customers can use digital coupons and redeem their "Shop & Earn" MVP rewards program savings. Customers can also see their accumulated Shop & Earn rewards on their checkout screen and view which clipped digital coupons will be applied to their order. This is in addition to their MVP discounts, in-store promotions and weekly savings specials.
