Food Lion Feeds was founded in 2014 by Food Lion to address food insecurity in the towns and cities it serves.

"We at Food Lion Feeds envision a world where no one goes hungry, where families do not have to choose between dinner and rent or gas and groceries and where everyone works together to nourish families and set them up for success," said Kevin Durkee, Manager, Food Lion Feeds, Food Lion. "Despite each individual and organization's challenges, they persevere and embrace uncertainty to nourish our neighbors. As a result of their tireless work and leadership, we recognize and honor their exceptional partnership and compassionate efforts."
