Food Lion Feeds supports partner food banks to increase access to nutritious food

Working in partnership to help address food insecurity, Food Lion has contributed \$50,000 through its hunger-relief platform, Food Lion Feeds, to benefit Inter-Faith Food Shuttle in Raleigh, NC. The investment funds the nonprofit's culinary apprenticeship program. Designed to break the cycle of poverty, students gain hands-on culinary training and paid work experience to prepare for careers in the food service industry.

underserved communities. By equipping individuals with culinary skills, we foster economic growth and strengthen food security," said L. Ron Pringle, President and Chief Executive Officer, Inter-Faith Food Shuttle. "We are proud to provide participants with state-of-the-art classroom space, made possible by the unwavering support of Food Lion Feeds, a longtime partner committed to our mission."

Food Lion Feeds also helps to address critical needs by working with the Food Bank of Central & Eastern North Carolina. The hunger-relief platform is providing \$200,000 toward purchasing a refrigerated tractor-trailer to help support their pop-up markets across the Triangle area, increasing access to nutritious food and enabling them to respond to the rising demand for families experiencing hunger. The refrigerated truck holds an average of 40,000 pounds of food and will allow the food bank to distribute approximately 700,000 pounds of food throughout the Raleigh area annually.

Additionally, each Food Lion store regularly donates unsaleable edible food that might otherwise go to waste to local feeding agencies to support their clients' nutritional needs. More than 20 years ago, Food Lion was the first grocery retailer in the country to establish a food rescue program with Feeding America®, the nation's largest domestic hunger relief organization. In 2023, Food Lion stores in the Raleigh-Durham area donated more than 8 million pounds through food rescue to the Food Bank of Central & Eastern North Carolina in Raleigh, NC, Second Harvest Food Bank of Southeast North Carolina in Fayetteville, NC, and Feed More in Richmond, VA.

Beginning Aug. 27, Food Lion associates will lead a volunteer tour throughout the greater Raleigh-Durham area. Food Lion Feeds will donate more than 3,900 pounds of food to local pantries and associates will stock the shelves. Additionally, Food Lion Feeds will provide \$5,000 in Food Lion gift cards. The following community feeding partners will benefit from this effort:
